

# FINKONS INTERNATIONAL

**KICK Advisory Services** is a boutique corporate finance advisory firm based in Mauritius, specializing in delivering tailored financial solutions to businesses operating within and through the Mauritius International Financial Centre. Established in July 2020, the firm is dedicated to assisting clients in navigating the complexities of today's dynamic business environment, offering services such as business valuation, mergers and acquisitions advisory, fundraising, working capital management, business restructuring, and strategic consulting.

**Finkons Advisory**, established in 2008, is a Mumbai-based financial services firm specializing in debt syndication and equity funding. With over a decade of experience, they have successfully advised numerous corporates on fund-raising across various economic cycles. Committed to delivering proactive financial assistance, Finkons emphasizes value addition through deep knowledge and adherence to high ethical standards. Their services include debt syndication, equity funding, investor pitch desk preparation, and business board advisory, catering to a diverse clientele across multiple sectors.
